## REPORT OF THE SELECTMEN.

---

To the Taxpayers of the town of Haverhill :

Your Selectmen submit herewith their annual report for the year ending Feb. 15, 1904.

During the past year the valuation of the town increased nearly \$85,000, nearly all of its increase being in the precinct of Woodsville, and on account of which Woodsville's proportion of highway and school appropriations has increased and the town's proportion correspondingly decreased.

Last year out of an appropriation of \$6500, the town received \$4173.26, while this year with the same appropriation the town received \$3977.50. The expense of repairing the highways was \$3989.41 or \$11.91 in excess of the appropriation. Included in this expense is the cost of a new iron bridge across the Oliverian stream, near Pike Station. The cost of this bridge was \$500. In our opinion it will be necessary to build another new bridge across this stream the coming year.

The Police department shows a slight increase in cost over last year, but the net expense compares very favorably with towns of the size of Haverhill, similiarly situated. For several years there has been a demand for better police protection, and especially for a night watchman in Woodsville, and we decided to place an officer on regular duty from two o'clock in the afternoon until after the departure of night trains, which is about two o'clock in the morning.

The town poor account shows a rather large increase, while the county poor account shows a very material decrease.

This year shows a further increase in gain in the dog license fund ; the amount received from dog licenses being, we think, the largest yet received.

Last year there was a large increase in quarantine expenses, but this year the amount has been very much less.

Three thousand dollars of town bonds have been paid, as well as all interest due.

There are no notes outstanding, and no bills unpaid that have been presented and allowed to date. There is one outstanding order for \$3.

The net debt of the town has been reduced during the year \$2635.19, and the treasurer's account shows a cash balance on hand of \$1254.59.

The tax rate in town was reduced from \$1.90 last year to \$1.81 this year, while the tax in Woodsville was reduced from \$3.41 last year to \$3.19 this year.

We regret that the Bath bridge case has not yet been settled. This case is the result of action brought by the town of Bath against the town of Haverhill. It is hoped that the court will render a decision this spring.

In accordance with a vote passed last March we have purchased for the town a piece of land adjoining the town hall on the east at an expense of \$30.

There have been 167 hedgehogs killed and a bounty of 25 cents each paid, making a total amount paid of \$41.75. This amount will be returned to the town by the State Treasurer.

Report in detail is as follows :—

## REPORT OF TOWN CLERK.

To the inhabitants of the town of Haverhill:—

I herewith submit my report for the year ending Feb. 15, 1904.

I would respectfully ask that any errors noticed in the table of births, marriages and deaths be reported to me at once.

Your attention is again called to the extracts from the law relating to the licensing of dogs.

Respectfully submitted,

ALBERT F. KIMBALL.

## LAW RELATING TO DOG LICENSES.

There is and has been a great deal of misunderstanding in regard to the law relating to the licensing of dogs, and the duty and liabilities of the owners. We therefore beg leave to submit a few extracts from the Public Statutes, hoping that they will be of service to the owners of dogs, and that they will govern themselves in accordance with the same.

(Extracts from Chap. 60, Laws of New Hampshire, 1891.)

SECTION 1. Every owner or keeper of a dog three months old or over, shall annually, on or before the thirtieth day of April, cause it to be registered, numbered, described, and licensed for one year from the first day of the ensuing May, in the office of the clerk of the city or town wherein said dog is kept, and shall cause it to wear around its neck a collar distinctly marked with its owner's name and its registered number.

SEC. 2. An owner of a dog may at any time have it licensed until the first day of the ensuing May; and a person becoming the owner or keeper of a dog after the first day of May, not duly licensed, shall cause it to be registered, numbered described, and licensed as provided in the preceding section.

SEC. 3. The fee for every license for a year shall be two dollars for a male dog and five dollars for a female dog, and such proportionate sum for licenses for dogs becoming three months of age after the first day of May, or which may be brought from out the state after the first day of May, as the remaining portion of the year bears to the sum required for a license for a whole year.

SEC. 8. Whoever keeps a dog contrary to the provisions of this chapter shall forfeit fifteen dollars, five dollars of which shall be paid to the complainant and ten dollars to the treasurer of the city or town in which the dog is kept.

SEC. 10. The assessors shall annually make a list of all dogs owned or kept in their respective cities or towns on the first day of April, with the owner's or keeper's names, and return the same to the city or town clerk on or before the first day of May. An owner or keeper of a dog who refuses to answer or answers falsely to the assessors, relative to the ownership thereof, shall be punished by a fine of not less than ten dollars, to be paid into the town treasury.

SEC. 11. The mayor of each city and the selectmen of each town shall annually, within ten days from the first day of May, issue a warrant to one or more police officers or constable, directing them to proceed forthwith. either to kill or cause to be killed, all dogs within such city or town not licensed and collared, according to the provisions of this chapter, and to enter complaint against the owners or keepers thereof; and any person may, and every police officer and constable shall, kill or cause to be killed, all such dogs, whenever and wherever found.
